Introduction

The League has adopted the State and Territory Tribunal Guidelines for the purposes of dealing with Reportable Offences. Section 5 of the State and Territory Tribunal Guidelines contains grading templates for various classifications of offences and outlines the prescribed penalties which can be offered to reported Players (where applicable).

The system will not apply to Officials who are reported. Those reports will be heard by the Tribunal.

Procedure

Umpires shall report and charge Players in the usual manner. The reporting Umpire shall complete the Player Report Form template and forward to the League by 10.00 am on the Monday immediately following the Match (where reasonably practicable).

Once the Player Report Form and Report Template has been received the League’s Football Operations Co-ordinator will process the report and decide whether:

1. the offence by the Player is suitable for determination under the Prescribed Penalty System; or
2. the report should be referred to the Tribunal for determination.

If the offence and/or Player is suitable for determination under the Prescribed Penalty System, the prescribed penalty shall be offered to the Player (via the Club) on the Monday following the Match in which the Player was reported.

The Player (either directly or via the Club) shall notify the League of the acceptance or refusal to accept the set penalty no later than 4.00pm on the Tuesday following the Match in which the Player was reported (or at a later date as reasonably prescribed by the League if the prescribed penalty was provided later than Monday). If accepted, the penalty shall be recorded against the player’s record kept by the league. If the prescribed penalty is rejected the report shall be referred to the Tribunal for hearing at a time to be advised the League.

Conduct Definitions

Intentional conduct:

A Player intentionally commits a Classifiable Offence if the Player engages in the conduct constituting the Reportable Offence with the intention of committing that offence.

An intention is a state of mind. Intention may be formed on the spur of the moment. The issue is whether it existed at the time at which the Player engaged in the conduct.

Whether or not a Player intentionally commits a Reportable Offence depends upon the state of mind of the Player when he or she does the act with which they are charged. What the Player did is often the best evidence of the purpose they had in mind. In some cases, the evidence that the act provides may be so strong as to compel an inference of what their intent was, no matter what they may say about it afterwards. If the immediate consequence of an act is obvious and inevitable, the deliberate doing of the act carries with it evidence of an intention to produce the consequence.

For example, a strike will be regarded as Intentional where a Player delivers a blow to an opponent with the intention of striking them.

The state of a Player's mind is an objective fact and has to be proved in the same way as other objective facts. The whole of the relevant evidence has to be considered. If the matter is heard by the Tribunal, the Tribunal will weigh the evidence of the Player as to what their intentions were along with whatever inference as to their intentions can be drawn from their conduct or other relevant facts. The Player may or may not be believed by the Tribunal. Notwithstanding what the Player says, the Tribunal may be able to conclude from the whole of the evidence that the Player intentionally committed the act constituting the Reportable Offence.

Careless conduct: A Player's conduct will be regarded as Careless where it constitutes a breach of the duty of care owed by the Player to all other Players. Each Player owes a duty of care to all other Players, Umpires and other persons (as applicable) not to engage in conduct which will constitute a Reportable Offence being committed against that other Player, Umpire or other person (as applicable). In order to constitute such a breach of that duty of care, the conduct must be such that a reasonable Player would not regard it as prudent in all the circumstances. Further, a Player will be careless if they breach their duty to take reasonable care to avoid acts which can be reasonably foreseen to result in a Reportable Offence.

Impact Guidelines	
Low	Minimal or no impact on the game as Player continued to play the majority of the match and suffered no ongoing issues.
Medium	Clearly some impact on the Player, and / or the Player left the field for a lengthy period of time, and/ or some possible lower level ongoing treatment required.
High	Major impact on the player, and / or was unable to participate in the remainder of the game, and / or major ongoing issues that require medical intervention and / or may miss some matches.
Severe	Major impact on the player, and / or was unable to participate in the remainder of the game, and / or major ongoing issues that require medical intervention and / or may miss some matches.

Appendix “C” – Recording of Images

- (A) The law surrounding the taking of images, video and/or audio by way of electronic or any other means (**recording**), particularly of minors, is complex. AFL (NSWACT) takes this issue very seriously, and the provisions below are designed to assist Clubs, Officials, Players, families and supporters, as stakeholders, to deal with this complex issue. However, these provisions are not legal advice, and all stakeholders must make their own enquires. Whilst AFL NSWACT will provide information, guidance and assistance on these issues, the responsibility to ensure compliance with all legal (including statutory) provisions lies with individual stakeholders, as appropriate.
- (B) When a person enters private land, they consent to any requirements that the property owner may impose on them. This may include restrictions, including prohibitions on the making of a recording of events held on their land. There is nothing, however, to prevent a person from making a recording from outside of the borders of private land, regardless of the property owner's preferences. In the absence of conduct that is offensive or threatening and unlikely to interfere with the public enjoyment of a public place, there is nothing to prevent a person from making a recording of minors in public places.
- (C) It is thus not generally illegal to make a recording of minors at sporting events, but a common-sense approach needs to be taken.
- (D) Persons making a recording and persons using such recordings must be mindful of the complex issues surrounding privacy.
- (E) Unless consent is specifically withdrawn, by reason of the Terms and Conditions of Participation the Player's image in any form or medium is able to be used for general marketing and promotional activities.
- (F) By agreeing to the Terms and Conditions of Participation when Registration is effected, the Participant irrevocably consents to the use of Participant's Footage and Likeness for competition management and administrative purposes
- (G) The provisions seek to strike a balance between concerns regarding privacy and the reasonable use of such images.
- (H) This Appendix governs the recording of images, video and/or audio by way of electronic or any other means (**recording**) of League activities where used by or for the use of or on behalf of Clubs and/or for, by or on behalf of their Officials (**recorder**). It must be read in conjunction with relevant Codes of Conduct and the Registration Terms and Conditions. Where this Appendix is inconsistent with specific provisions in the Registration Terms and Conditions, such specific provisions of the Terms and Conditions will prevail.
- (I) It sets out the terms and conditions on which such recording can take place, seeking to balance the reasonable expectations of privacy by the participants and the reasonable use of such recordings for legitimate purposes.
- (J) Recordings may only be used within the spirit of the game and within the Laws and consistent with the Code of Conduct.
- (K) In this document, **participant** means all Players, Club appointed Umpires and Team Officials, and does not include spectators and officially appointed Umpires.
- (L) The recorder may only record Matches and other AFL related activities such as practice Matches, training and drills (**activity** or **activities**) for legal, instructional, coaching and promotional purposes (**the accepted purposes**) and must not record activities for commercial, indecent, inappropriate or illegal purposes.

- (M) Subject to the direction and supervision of the League, and the direction or ruling by the relevant Code of Conduct Investigations Sub-Committee or Tribunal, such recording may be used for legitimate purposes in Code of Conduct investigations and/or Tribunal hearings.
- (N) The recorder must inform the ground manager (where appointed), the Coach and/or Team Manager of the Club and any Club (**other Club**) whose participants are involved in the activity to be recorded, before the recording is commenced. The other Club may not object to the recording being made. The Coaches and/or Team Managers must use their best endeavours to inform participants, and the parents and guardians of all participants who are minors, of the recording.
- (O) If a copy of the recording is requested by an official of the other Club (the **requestor**), the recorder must provide a copy within 3 working days after being provided by the requestor with suitable media on which to copy the recording. The requestor shall pay the amount identified in Table 1. The League may request a copy of the recording and advise the recorder of the media on which it wishes to receive the recording and such copy shall be provided to the League without charge within 3 working days.
- (P) None of the recorder, the requestor or the League shall provide a copy of the recording to any other party except with the written consent of both Clubs.
- (Q) None of the recorder, the requestor or the League shall post, stream or otherwise share the recording, including on the internet or social media. The recording may be shared for instructional, Coaching, Tribunal /Code of Conduct purposes but only by the Club, the other Club or the League. Except where used for the accepted purposes, none of the Applicant, the requestor or the League may make any other form of publication of the recording.
- (R) The requestor and the League may only use the recording for the purposes outlined in point 5 above.
- (S) A recording may be used for promotional purposes unless the consent of the parent or guardian of any players who are minors for the use of such recording has been withdrawn prior to its use.
- (T) Where informed consent is required, it is the sole responsibility of the party who is required to obtain the informed consent to obtain such informed consent.
- (U) The provisions of this document apply to recordings however and by whomever made or obtained.
- (V) Table 2 sets out various activities and how they are covered by this Appendix. However, the Table is for guidance only, and if there is any discrepancy between the Table and this document, the provisions of this Appendix prevail.
- (W) Breach of the terms of this document, or the spirit of the game or the Code of Conduct is an act of Misconduct under the AFL Laws, and will be dealt with pursuant to the Bylaws accordingly.

1.4 AFL Sapphire Coast Interclub Player Compensation Levy Schedule

A player wishing to transfer from one AFL Sapphire Coast Club to another within the League or Affiliated Leagues would command a Development Levy based on the length of service to his/her original club.

50th Senior game – (1st grade) = \$400

1.5 Maximum Compensation Levy

The maximum Development Compensation Levy shall be \$1,000

Notes

- All Development Levy’s are GST inclusive.
- A player transferring back to AFL Sapphire Coast after a period of 24 months has elapsed (from the time of his initial clearance interstate) is eligible to play with the club of his/her choice.
- A player who transfers from an AFL Sapphire Coast club to a club in another competition, upon transferring back to AFL Sapphire Coast within a period of 24 months must transfer back to the club he/she left or obtain a domestic clearance from that club to the club he/she wishes to join. Development Levy’s would apply if within the 24 months **less the discounts mentioned in the next paragraph.**

- Acceptable exemptions to the payment of the Levy would be under a Father and Son arrangement or a Family residential relocation (i.e. moving from Eden to Narooma) or for Educational purposes (i.e. Pambula to Erindale College or ANU)
