

# Seeking Assistant Coaches

The South East Sports Academy (SESA) is a new regional academy of sport being administered by the NSW Office of Sport with the support of AFL NSW. Forming a vital part of the athlete pathway, SESA caters for athletes aged 15-16, demanding quality coaches in this integral development phase.

SESA is seeking coaches that have an interest in the individualised development of athletes in the talent pathway. SESA coaches must focus on a player-centred approach to improving performance, understanding the athlete and developing them as a whole person.

SESA coaches would have a growth mindset and a desire to develop as a coach. AFL NSW will support SESA coaches with resources, mentoring and collaboration opportunities. If you have the appropriate desire, qualifications and experience, follow the process below and apply today.

1. Nominate your preferred position
2. Consider carefully the commitment required to be a coach or manager as outlined on our website
3. Ensure you have the relevant Working With Children Check
4. Apply online at [sesa.net.au](http://sesa.net.au) prior to the closing date of **Monday 8 September**
